

Islamic College of Brisbane Annual Report 2017 (Based on 2016 data)

Descriptive Information

School Sector:

Independent

School's Address:

45 Acacia Road, Karawatha QLD 4117

Total Enrolments:

1038

Year Levels Offered:

P - 12

Co-educational or Single Sex:

Co-educational

Characteristics of the Student Body:

The students come from a wide range of backgrounds. Many of the children are from lower socio-economic and 75% from non-English speaking backgrounds but most have been born in Australia. There are 603 girls and 430 boys in the college.

Distinctive Curriculum Offerings:

The College follows the P-10 Australian Curriculum in Queensland with most students continuing on to Years 11 and 12 studying a majority of Qld. Curriculum and Assessment Authority subjects. This pathway allows study to qualify for a Tertiary Entrance credential (OP). An increasing number of students are now pursuing alternative pathways.

Extra-curricular Activities:

Primary students take part in ICB debating. Both Primary and Secondary schools fully participated in the following sporting clients:

- Primary and Secondary South East Qld Futsal Titles

- Primary & Secondary Swimming Carnival
- Primary District Basketball
- Bacher Houli Cup
- Secondary Cross Country
- SEQ's Gala Day

Social Climate:

The College has 55 Muslim and 61 Non-Muslim staff

While the vast majority of students in the college are Muslims the staff are more evenly divided because a policy of the ICB Board is to ensure that only the best available staff are employed.

A part time counseling department was being established at Islamic College of Brisbane in 2013. This service offers classroom guidance, group activities and individual counseling sessions with students who need the support.

In 2015 the service was elevated to a full time Guidance Counsellor providing both counselling and careers services.

The College now also has a full time nurse.

Parental Involvement:

The College P&F Association is called CPAC (College Parent Advisory Committee). Specifically, the CPAC's objectives are to:

- Promote fellowship among the parents of students of the College;
- Raise funds for amenities and facilities for the students and teachers of the College
- Assisting the Principal in College operational matters.
- Promote interest in the educational activities of the College;
- Volunteering in sporting events and in the uniform shop; and
- CPAC is now a member of school board

Parent volunteers also assist the College in classrooms and on excursions.

Parent, Teacher and Student Satisfaction with the School

Where schools already undertake yearly surveys or studies of parents, students and teachers for the purpose of marketing and school improvement, it will involve preparing a relevant report, in plain English, on the findings of those surveys or studies.

If a school does not currently undertake any such studies or surveys, consideration might be given to such a project; or alternatively, the school should consider any other data or information that it may have which could be the basis of a report on parent, student and teacher satisfaction. For example, letters and testimonials from parents; enrolment retention rates over time; increasing enrolments over time, teacher retention rates over time.

A description of how non-attendance is managed by the school:

Islamic College of Brisbane collects attendance data on a per period basis via Teacher Kiosk to ensure an improved standard of care for our students. This has been facilitated via a School Management System called Tassweb software. If the student is not present, parents are informed via an sms message and a request made for an absentee reason. In the case of no return from the parents then the system generates a letter which is posted to the parents.
